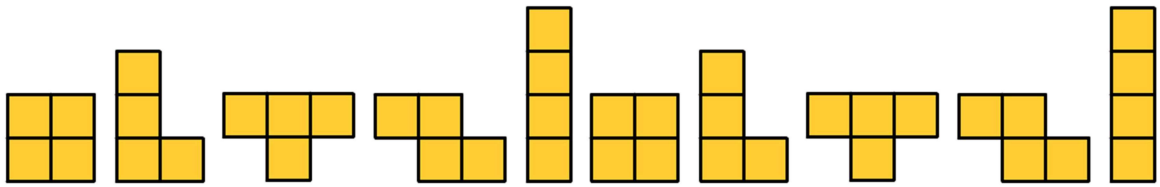
TETRAMINÓS A DOBLE ESCALA

Queremos construir un tetraminó a doble escala, es decir de lado doble, ¿cuántos tetraminós simples necesitamos?

Material:

- Doble juego de tetraminós.
- Plantillas.



Reglas de juego:

- El juego consiste en seleccionar un tetraminó.
- Coge cuatro tetraminós de los nueve que quedan y construye con ellos el tetraminó escogido a una medida doble.
